Introduction

Texas Values Action only endorses candidates who share in our mission and in our goals to ensure Texas is a state in which religious liberty flourishes, families prosper, and every human life is valued. Candidates must be able to demonstrate a firm commitment to protecting religious liberty, marriage and family, and innocent human life.

Candidates must complete this questionnaire to be considered for an endorsement. We will not necessarily endorse a candidate in every race and our endorsement of a candidate in a race does not represent a criticism of any other candidate in the same race. Follow-up interviews may be requested by Texas Values Action after the questionnaire is submitted and reviewed by our team. Interviews are not guaranteed.

Your questions, comments, and further thoughts are welcomed on these and other issues.
