

Score Details for 2025 Faith & Family Scorecard

Scores are calculated primarily based on floor votes, and authoring or coauthoring (sponsoring) legislation. Due to bill deadlines in the Texas House, bill sponsors after May 12th, 2025 are recorded but may not be given credit.

Excused absences and unexcused absences are noted in the calculation spreadsheet but will not positively or negatively affect the score. We reserve the right to exercise our judgement based on the vote statements of intent made by members in the House and Senate Journals. In most cases, if a statement of intent is made in a Journal, the Member will be given credit for the corresponding record vote.

Raw score totals may be more than 100 points, however, actual scores max out at 100%.

This scorecard only includes actions on legislation from 89(R) and the Second Called Special Session.
