Introduction

Texas Values Action will make endorsements in the 2023 election cycle. We will only endorse candidates who share in our mission to ensure Texas is a state in which religious liberty flourishes, families prosper, and every human life is valued. Candidates must be able to demonstrate a firm commitment to protecting religious liberty, marriage and family, and innocent human life.

Candidates must complete this questionnaire to be considered for an endorsement. We will not necessarily endorse a candidate in every race and our endorsement of a candidate in a race does not represent a criticism of any other candidate in the same race. Follow-up interviews may be requested by Texas Values Action after the questionnaire is submitted and reviewed by our team. **Interviews are not guaranteed.**

Your questions, comments, and further thoughts are welcomed on these and other issues.
